

Material Safety Datasheet (MSDS)

1. Product and company identification

Product identifier
Product uses
Supplier

Emergency telephone number

Buffer CV1 20X (reference: TP10011)
Only for in vitro use in research and analysis laboratories.
ApoH-Technologies
94 Allée des Fauvettes, 34280 La Grande Motte, FRANCE
Tel : + 33 (0)4 11 75 94 85
Fax : + 33 (0)4 11 75 95 46
www.apohtech.com
INRS - Tel : + 33 (0)1 45 42 59 59

2. Hazards identification

Classification of the product.....
Label elements of EC regulation N° 1272/2008.....
Label elements of directive N° 67/548/EEC.....
Other hazards

Not hazardous ; not dangerous
Not hazardous ; not dangerous
None
This substance/mixture contains no components considered to be either persistent, bioaccumulative and toxic (PBT), or very persistent and very bioaccumulative (vPvB) at levels of 0.1% or higher.

3. Composition / information on ingredients

Not hazardous ; not dangerous

4. First aid measures

Description of first aid measures.....

Most important symptoms and effects, both acute and delayed...
Immediate medical attention and special treatment

Consult a physician. Show this safety data sheet to the doctor in attendance. If breathed in, move person into fresh air. If not breathing, give artificial respiration. In case of skin contact, wash off with soap and plenty of water. In case of eye contact, rinse thoroughly with plenty of water for at least 15 minutes. If swallowed, never give anything by mouth to an unconscious person. Rinse mouth with water.
No data available.
No data available.

5. Firefighting measures

Extinguishing media

Special hazards arising from the substance or mixture.....
Advice for firefighters

Use water spray, alcohol-resistant foam, dry chemical or carbon dioxide.
No data available.
Wear self contained breathing apparatus for firefighting if necessary.

6. Accidental release measures

Personal precautions and emergency procedures

Environmental precautions
Cleaning methods

Reference to other sections

Avoid breathing vapors, mist or gas.
For personal protection see section 8.
No special environmental precautions required.
Soak up with inert absorbent material and dispose of as hazardous waste. Keep in suitable, closed containers for disposal.
For disposal see section 13.

7. Handling and storage

Safe handling.....
Safe storage / product incompatibilities.....

Specific end uses

For precautions see section 2.
Store at 20-25°C. Keep container tightly closed in a dry and well-ventilated place. Containers which are opened must be carefully resealed and kept upright to prevent leakage.
Only for in vitro use in research and analysis laboratories.

8. Exposure controls/personal protection

Control parameters
Exposure controls.....

Personal protective equipment.....

Occupational exposure limit values: not determined.
Handle according to instructions, good laboratory practices and normal hygiene standards (washing hands after manipulation).
Wear protective clothing, gloves and goggles.

9. Physical and chemical properties

Appearance.....

Clear colorless liquid, can crystalize when place in cold environment.

Odor.....	No data available
Odor Threshold.....	No data available
pH.....	No data available
Melting point / freezing point.....	No data available
Flash point.....	No data available
Evaporation rate.....	No data available
Flammability (solid; gas).....	Not concerned
Upper / lower flammability of explosive limits	Not concerned
Vapor pressure.....	Not concerned
Vapor density	Not concerned
Relative density.....	No data available
Solubility.....	No data available
Partition coefficient: n-octanol/water.....	No data available
Auto-ignition temperature.....	No data available
Decomposition temperature.....	No data available
Viscosity.....	No data available
Explosive properties.....	Not concerned
Oxidizing properties.....	No data available
Other information.....	None

10. Stability and reactivity

Reactivity	No data available
Chemical stability	Stable in recommended handling and storing conditions
Possibility of hazardous reactions	No dangerous reactions known under normal conditions of use.
Conditions to avoid	none
Incompatible materials	No data available
Hazardous decomposition products	No data available

11. Toxicological information

Acute toxicity	Oral: No data available Inhalation: No data available Dermal: No data available
Skin corrosion / irritation	Skin - rabbit - Mild skin irritation - 24 h Eye - rabbit - Mild eye irritation
Serious eye damage / irritation	No data available
Respiratory or skin sensitization	No data available
Germ cell mutagenicity	No data available
Carcinogenicity.....	No data available
Reproductive toxicity.....	No data available
Specific target organ toxicity - single exposure.....	No data available
Specific target organ toxicity - repeated exposure	No data available
Aspiration hazard	No data available

12. Ecological information

Toxicity.....	No data available
Persistence and degradability	No data available
Bioaccumulative potential	No data available
Mobility in soil	No data available
Results of PBT and vPvB assessment	This substance/mixture contains no components considered to be either persistent, bioaccumulative and toxic (PBT), or very persistent and very bioaccumulative (vPvB) at levels of 0.1% or higher.
Other adverse effects	No data available

13. Disposal considerations

Product.....;	Offer surplus and non-recyclable solutions to a licensed disposal company.
Contaminated packaging.....	Dispose of as unused product.

14. Transport information

Information	ADR/RID	IMDG	IATA
UN number	None	None	None
UN proper shipping name	Not dangerous goods	Not dangerous goods	Not dangerous goods
Transport hazard classes	None	None	None
Packing group	None	None	None
Environmental hazards	None	None	None
Special precautions for user	No data available	No data available	No data available
Transport in bulk	Not concerned	Not concerned	Not concerned

HS code : 38 22 00 + country-specific extension

15. Regulatory information

Safety, health and environmental regulations..... This datasheet complies with the Regulation EC 1907/2006.
 Product specific legislation..... No data available
 Chemical safety assessment For this product a chemical safety assessment was not carried out

16. Other information

This product must be used according to the corresponding instructions.

This product is for in vitro use only.

This data sheet completes the instructions for use but does not replace it. The information is based on our present knowledge relative to the product at the date it was issued. This safety information in no way dispenses users from thoroughly knowing and applying all regulatory texts relating to their activity. The user's attention is drawn to possible risks taken when manipulating the product for any purposes or in any way not allowed in this document. ApoH-technologies shall not be held liable for any damage resulting from handling or from contact with the above product.
